I have an IH 274 diesel offset tractor and need the front cultivator for it which is supposed to be a model 144T. The regular model 144 cultivator that fits the IH 140 tractor looks the same to me and I can buy a set of those, so please let me know what the differences are and if the regular 144 cultivator will fit the 274 tractor.

Any Differences b/t the IH 144 cultivator and 144T ...
