Serial Killer Groupies and Hybristophilia: Why Some Women ...

One of the most common reasons given by women who date serial killers is the fact that they 'see' the little boy that the horrible man once used to be, and they believe that they can nurture that kid, hence removing the cruel and harmful nature of the killers and making them amicable again. Known as 'serial

killer groupies' or even 'prison groupies' by some, a great number of these women have shown a surprising desire to get connected to the serial killer of their choice.

Serial Killer Groupies | Publisher | RJ Parker Publishing
Summary. When studying the dark world of serial killers, the women who attach themselves to them, follow them, write to them and in many cases marry them are a curious subject. In Serial Killer Groupies seasoned true crime author RJ Parker looks at the psychology behind their obsessions and the reasons why they often give up their families, their careers, and their homes just to be close to a man who has carried out some horrific acts of violence.
