Haggadah for the Liberated Lamb: bilingual, illustrated, 140 pages "A vegetarian haggadah that celebrates compassion for all creatures." This Haggadah is a saga about creation and the emergence of the Jews. Much of the text is traditional, except for passages that celebrate the covenantal relationship the animal enoyed in the Bible.

Each section of the Seder has non-narrative interpretations that show the value of liberation. Even the segment of the Seder devoted to the formal reciting of the Haggadah, has little direct narrative. Instead, the text consists of questions, biblical passages, rabbinic tales and songs woven together. All these relate to the various aspects of the Exodus as we expanded and redefined the holiday as the spiritual liberation from idolatry to the belief in ethical monotheism ("God").

Haggadah for the Liberated Lamb (1985 [the next-to-last unnumbered page before the seder begins], 1988) and Haggadah for the Vegetarian Family (1993). This is truly “liberating” the lamb, as it makes no mention of the lamb and has nothing at all to do with the role the lamb played in the Passover story nor the ancient biblical world.

Two monumental events that have reshaped the traditional Haggadah were the Holocaust and the establishment of the State of Israel. In the waning days of the Holocaust, survivors created A Survivor’s Haggadah, a remarkable illustrated Haggadah anticipating the first Passover after liberation from the Nazis.
