Yamaha Motorcycle Manuals - Classic
In keeping with wacky, seemingly-nonsensical, naming conventions, the 1970 Yamaha 650 was designated the XS-1, the 1971 650 was the XS-1B, the 1972 650 was the XS-2 and the 1973 650, as seen here, is known as the TX. I don't see a pattern there at all. Not to mention, the next two model designations are the TX-A and the XS-B. It's like pulling numbers and letters out of a hat.
