I know of very few car companies who provide free service manuals. Why would they give away something they could sell. I have had to buy service manuals for every car I have owned (VW, Honda, Acura, etc.). If you can find a free service manual, it is probably an illegal copy. Service manuals are almost always copyrighted material.

June 15, 2010 in New York Volkswagen introduced a new model –
Jetta VI, which, according to the developers, unlike previous models,
with VW Golf has nothing to do. The following year, after the launch
of the VW Golf, new body variants for this car were developed (in
order to increase the luggage space) in the style of a classic sedan.
