Whether you like to take local routes to avoid the freeway traffic or prefer to save gas and drive the shortest distance, BMW's Professional Navigation System can provide you with flexible routing options. There are eight navigation options represented by icons located on the left-hand side of the BMW standard navigation.

~~How to Use The BMW Navigation System The Complete Guide~~

E83 X3 (2004-2010) * It is important to note that in order to upgrade your navigation system, you must first have a navigation system from factory. Retrofitting navigation to a car that did not originally come with it, while not impossible, is exceedingly challenging, time consuming, and expensive.
