I'm selling my 2005 Yukon XL The car has leather seats, sun roof, stock Bose speakers which sound great. The AC and Heater work great. I had the suspension, alternator, and battery replaced, I sadly need to let this car go, I am going to be commuting and need a smaller car not an SUV. Aesthetically the car is in good condition.

This 2005 Yukon XL has been a great car for our family. Originally purchased new by parents. The car drives like a champ, but does have several minor issues that one would expect of a vehicle this age. Leaking oil, coolant, and power steering fluid. A/C does not work. Also, needs new wire connector at blower motor. New tires put on in 2019.

Very nice 2005 GMC Yukon for sale. Will work great
for a work truck. I'm moving and don't want to take
this thing with me. It was given to me by my father
recently who passed away, no tag, no title. Minor
dings on the outside. Inside of the truck was kept
pretty clean. It just had a new battery put in and the
truck starts fine.
