2006 TANK 250 Touring by: Scott I purchased my scooter used from a dealer with 1,100 showing on the odometer and it had been wrecked. Needless to say I got it cheap. I am a mechanic, so I knew I would have no trouble working on it. The first thing I did was remove every panel on it and inspect everything. It needed a lot of work!

2016 Honda Forza. 250cc and 300cc class scooters offer a great combination of agility and speed. They are fast enough to use on the freeway, strong enough to easily carry a passenger, and still offer better fuel economy than most Maxi scooters. The scooters we have included in this class range from 200cc to 330cc and include models with more traditional styling and models which look more like ...
