Ken, Ive seen different copies of the 2004 WRX STi service manual and all of them don't have a H4DOHC section for the WRX engine. Is the section I should be using for the non-STi Turbo DOHC engine the STi section? There have been several times where the manual tells you to refer to the DOHC section but there isn't one..I'm confused. Know anything about this? Reply.
