## National Licensing Examination - GMC

Medical Licensing Assessment We ' re introducing the Medical Licensing Assessment (MLA) which will test the core knowledge, skills and behaviours needed to practise safely in the UK. From early 2024, international medical graduates who would have sat our Professional and Linguistic Assessments Board (PLAB) test will start to take the MLA if they ' re applying for registration with a licence to ...

## Medical Licensing Assessment - GMC

The United States Medical Licensing Examination is a three-step examination for medical licensure in the United States and is sponsored by the Federation of State Medical Boards and the National Board of Medical Examiners. Physicians with an MD degree are required to pass this examination before being permitted to practice medicine in the United States. See below for requirements of physicians with a DO degree.
