The 10hp, Honda short shaft outboard engine from Honda is a fantastic unit for use with larger inflatable tenders, ribs and rigid tenders. Its twin cylinders deliver smooth, quiet power at a weight that you can still lift on and off the boat without too much trouble These light 4-stroke outboards are easy to get going and feature Programmed Ignition (PGM IG) so when you start your Honda – even from cold – it will never let you down.

Honda 10 HP 4 Stroke Outboard Engine - Boatworld UK

An Honda outboard alert system monitors engine temperature and oil pressure to prevent form any damage (only available on remote control models). Easy astern In forward motion (A) the propeller will drive normally through water, but in reverse it's a different story – unless you have a Honda.

To qualify the outboard must be serviced for the entire warranty period by an authorised Honda Marine dealer, in line with the recommended service schedule.

Honda | BF15

I had the Honda 30, also 3 cylinder, used it for a few years, it never missed a beat, a totally reliable, smooth running motor. Moored next to me was an old tourist hire boat, it had the old 45 hp Honda, the engine was in use every day, abused by tourists for years, again completely reliable. 6 year warranty, I would buy Honda again.
