In modern Europe there was an awareness of the history of dissenting ideas presented in various debates. It was therefore assumed that established ideas can and often do meet with dissent. This is commonly the case in many societies, India included. What we have come to call 'the Indian heritage' in its broadest terms, was during the last ...

Intellectual history (also the history of ideas) is the study of the history of human thought and of intellectuals, people who conceptualize, discuss, write about, and concern themselves with ideas. The investigative premise of intellectual history is that ideas do not develop in isolation from the thinkers who conceptualize and apply those ideas; thus the historian of intellect studies ideas ...
