This is just what the title says, an absolute beginner's guide. I had to purchase it for my intro to programming class, and I think my instructor said it perfectly. This will not make you a C programmer, but it will introduce you to the basic concepts, show you how things are structured, and will prepare you (should you desire to continue learning C) for the more advanced material.

This beginner's guide to getting in shape
will show you how to start working out
again! I consider myself an absolute
beginner because I've sadly never
prioritized exercise for myself, haven't
exercised in years, and have an almost non-
existent core. Add in my back and neck
problems, and I'm at square one!
