Technology Fourth Edition by Roy

...

Roy Chudley ' s Construction

Technology was first published in four volumes, between 1973 and 1977. The material has since been continuously updated through numerous reprints and full second editions in 1987. The books have gained a worldwide readership, and their success – and their impact on construction education – is a tribute to Roy Chudley ' s experience in further and higher ...

pages. 1 Review. Construction

Technology covers the basic
elements of substructure (site

works, setting out and

foundations) and superstructure

(flooring and roofs, simple

finishes, fittings and fixtures), as

well as basic services such as

water, gas electricity and drainage,

and considers low-rise framed ...
