An Introduction to Television Studies - Jonathan Bignell ...  
Television studies is an academic discipline that deals with critical approaches to television. Usually, it is distinguished from mass communication research, which tends to approach the topic from a social sciences perspective. Defining the field is problematic; some institutions and syllabuses do not distinguish it from media studies or classify it as a subfield of popular culture studies. One form of television studies is roughly equivalent to the longer-standing discipline of film studies in
