SAGE Books - An Introduction to Theories of Human Development
Summary. An Introduction to Theories of Popular Culture is the essential guide to the major theories of popular culture. Dominic Strinati examines the ways in which these theories have tried to understand and evaluate popular culture in modern societies. Among the theories and ideas the book introduces are mass culture, the Frankfurt School and the culture industry, semiology and structuralism, Marxism, feminism, post modernism and cultural populism.

First introduced over a hundred years ago, Leon Trotsky's theory of Permanent Revolution remains a vital tool for understanding the world today. The theory shows that only the working class can lead a socialist revolution, and is an antidote to many who now claim that we can rely on bourgeois forces to take us half way there.

An Introduction to Trotsky's Theory of Permanent ...
Introduction to theories of learning In this step you are introduced to some foundational theories of learning. There has been a lot of research into students' ideas of, and approaches to, learning. One approach is that students think about learning in six qualitatively different ways:
