A quiz will have 3, 5, 10, or 20 questions depending on the difficulty and length of the book. The same questions are answered in the same order; however, the position of the correct response (a, b, c, d) will vary. A quiz may be searched by its title, author's name, keyword, or quiz number. The most accurate and preferred method is by quiz number which is located on the AR label on the inside book cover.
