The Modern Watchmakers Lathe And How To Use It: Amazon.co ...

Archie Perkins. really liked it 4.00 · Rating details · 1 rating · 0 reviews. A course in watchmaking, clockmaking, and repairing would not be complete without adequate instruction and practice in using the watchmakers lathe as well as instruction and practice in using saws and files. When restoring antique watches and clocks, the restorer must be skilled in the use of the lathe, saws and files to make and alter parts to fit the mechanisms.
