Asclepius Collection And Interpretation Of

Providing an overview of all facets of the Asclepius phenomenon, this book, first published in two volumes in 1945, comprises a unique collection of the literary references and inscriptions in ancient texts—given in both the original and translation—to the deity, his life, his deeds, his cult, and his temples, as well as an extended analysis of them.

Asclepius: Collection and Interpretation of the ...

Abstract Emma and Ludwig Edelstein have accomplished a difficult task in exemplary fashion with the publication of their "Asclepius." It is an experiment in scholarship and unique in its careful study of all references that pertain to the subject, as well as in the discriminating use of the source material in the construction of the second volume.
