Logo design. Working to a very tight brief, this logo design was required to be simplistic in nature, but carry a modern tone of voice. The star-based icon drew from the fact that employers are looking for the best available talent – stars.

Talent Party – Logo Design – Backward Design

Backward Design . When we ask ourselves what our students should learn in our course, or what they should be able to do by time it ends, our answers reflect our learning objectives for the course. These might go something like, "Students should be able to compare the causes of the Civil War in terms of their relative importance," or "Given a ...
