Recent exhibitions and residencies have included the 2014 Marrakech Biennial, Whitstable Biennale and the Bristol Biennale. She is currently the artist in residence at Chelmsford College in Essex and has been named as a Chelsea College of Art Foundry Fellow and is embarking on a 6 month long experimental project there beginning May 2015.

*Artist and the Machine | Barbican*

Exploring the life and work of a radical pioneer and artist who opened doors to new horizons at the beginning of the twentieth century, Hilma af Klint was an abstract artist before the term existed, a visionary, trailblazing figure who, inspired by spiritualism, modern science, and the riches of the ...

*Beyond the Visible: Hilma af Klint (U) | Barbican*

If the Jewish heritage of scholarship and art and science and thinking and the primacy of the mind can't be brought to bear on solving the problem of Israel it would be a terrible thing, and so it is important for us Jews I think to have a -- who are not Israelis who are voting in Israel about Israel, but those who are part of the diaspora around the world -- have a say in it.

*The Art of Change with Stephen Fry - Episode 4 | Barbican*

The Barbican marks the beginning of 2019's Life Rewired season, exploring what it means to be human when technology is changing everything, with a new short film series, Fertility Fast programming and new free video installation.. The Barbican's Life Rewired Shorts launch today with the release of Gary Dumbill's Uncanny Valley, an animated world populated with familiar scenes, landscapes ...

*Barbican marks beginning of 2019 Life Rewired season ...*

Sir Nicholas Kenyon, Managing Director, Barbican said: "The Art of Change is a timely look at the dialogue that exists between art, society and politics. In addition to showcasing work that has responded to geopolitical and social events of the past, our 2018 season will explore the current, and potential, role of artists and the arts in bringing about change.

*The Barbican announces 2018 season: The Art of Change ...*

For me, this was first time in Barbican Art Gallery, I was much impressed with retrospective "Living Color" of work by Lee Krasner. Many precious paintings and collages, telling the story of her art. Visualizing the drive, the way how she dealt with frustration, trauma, life. A tale of creativity, ingenuity, stamina.
