~~**Biometrics in Agricultural Science**~~ ~~**Revised Printing**~~ ~~**Shu**~~ ~~**Biometry**~~ is the science of the application of mathematical and statistical methods in the biological, agricultural and medical research, in order to reach valid interpretations of biological observations and the right conclusions when evaluating biological experiments.

~~**Applying biometry to increase productivity in rural and**~~ ~~**Biometry**~~ is not just the mechanical application of mathematical procedures, but is a coherent concept which must be understood before implementing or analysing scientific experiments. In recent years the quality of scientific papers published in agricultural research journals has unfortunately deteriorated in all disciplines: crop production, livestock, veterinary science, aquaculture and agroforestry.

~~**biometrics in agricultural science**~~

In biology, agriculture, medicine, public health, demography, actuarial science, and fields related to these, [biometrics,| biometry] and [biostatistics] refer almost synonymously to statistical and mathematical methods for analyzing data in the biological sciences.

~~**Introduction and Fundamental Concepts**~~ ~~**Biometric**~~

Plant Science. AGRI 200. Biometrics in Agriculture. Prerequisites: PLANT 99, AGBS 71, or MATH 101, or permission of instructor. Advanced concepts in the design of agricultural experiments. Emphasis is placed on the selection of appropriate designs to meet the objectives of well-planned experiments. Relative merits of various designs and topics in analysis, interpretation, and regression are covered.

~~**Plant Science**~~ ~~**California State University, Fresno**~~

While biometrics is generally thought of as a science or field involving the human body, some schools offer graduate programs in environmental and forest biometrics. The profession uses the same statistical tools as in human biometrics to analyze plant and forest ecology, statistical information and maintenance practices. Degree Levels. Bachelor's, master's and doctorate degrees are available.
