This is a long-winded way of saying The Death of Sleepcaptures a mix of unending strives to move forward and near-complete, trauma-induced apathy in its protagonist. This makes the fleeting moments of the hunter’s shock all the more striking, truly impressing a sense of desperation upon the reader.

Bloodborne: The Death of Sleep. Aleš Kot, Brad Simpson & Piotr Kowalski. Titan Comics. \$16.99, 112 pages. BUY IT NOW. REVIEWED BY Austin Price Feb 14, 2019. From the very first Aleš Kot’s Bloodborne side-story seems hell-bent on convincing fans of the videogame that Kot is of their kind. While more a prequel to than an adaptation of the game’s story, the setting is still the Gothic metropolis of Yhnamam on one of the fabled “nights of the hunt” that finds the protagonist and their ...

The Hunter is the main protagonist of Bloodborne: The Death of Sleep. Description. The Hunter dons the typical Hunter Set, armed with a Saw Cleaver and a Hunter Blunderbuss. Very little of their actual face is visible when wearing the Hunter Hat, but it can be seen that the hunter has a tanned complexion and pale blue eyes with feminine features. When unmasked, the Hunter reveals an androgynous appearance, possessing short, frizzy white hair.
