### Blue Moon Rising (2010) - IMDb

After All This Time, the May 2019 Mountain Fever Records release by bluegrass band Blue Moon Rising, is one of, if not their very best, albums yet. The title is certainly appropriate, as the band has been performing now for two decades, and this collection of 13 songs is the latest of the seven they've recorded to date (four of which are available on Amazon (and have been added to my own music collection)).
