Set the Scene. Breakfast in bed is only as good as the location you serve it in, hence bed being a major keyword. We recently got under the covers with Endy, a one size fits all Canadian made mattress that left us both more than satisfied (and that's before dessert). From crisp, white sensual sheets to adjustable pillows perfect for leaning up against the headboard while you eat, it's pure ...

Breakfast in bed is a pampered experience, but there are other relaxing places to serve a special breakfast as well. Lay down a nice tablecloth on the table and put a vase full of fresh flowers in the middle, or have a picnic in the back yard — bring out a basket of fresh scones, fruit, and a thermos full of coffee.
