Changes in Britain between 1750-1900 - 928 Words | 123 Help Me

The years 1750 to 1900 ushered in great change in Britain, with the population increasing by over 260 percent and shifting away from rural villages and into cities, with corresponding improvements in transportation, industry and communication. Historian Arnold Toynbee argued in 1883 that during this time period, Britain underwent an Agricultural and Industrial Revolution, but more-recent scholars have insisted that these changes were more gradual than what Toynbee suggested.
