Cats love a good hiding spot, but if you notice your Kitty is spending more time under the bed or in hard-to-reach places, it could signal that something’s wrong. “Owners often tell me they ...

11 Warning Signs of Cancer in Cats That Every Owner Should Know
(CNN) – At the Bogota airport, as passengers were placing their carry-ons, laptops and purses in bins inching their way on the conveyer belt for inspection, one item stood out: it was a cat ...

Should cats be allowed on airplanes?
Is your aloof, fickle feline just being a cat—or could it have cat depression? Here's how to tell. Every editorial product is independently selected, though we may be compensated or receive an ...

Cat Depression: 11 Subtle Signs Your Cat Is Depressed
Susan Hazel is affiliated with the Dog & Cat Management Board of SA, RSPCA SA and Animal Therapies Ltd. Julia Henning does not work for, consult, own shares in or receive funding from any company ...

Why do cats knead?
"Cats are like using a grenade for hunting when a bullet would suffice. Cats kill everything they can. They don't target specific species." This particular study was conducted by American and ...

Outdoor cats are an invasive species and a threat to themselves, scientists say
The optimistic hope that the majority would not take advantage of its power to perpetuate its rule is akin to leaving the cream to be guarded by 61 cats. The temptation is just too strong.

61 cats guarding the cream
According to Alice Sarmiento, a volunteer adoption counselor at PAWS, she currently works with 125 cats. She shared photos of some adorable felines that would love a home this Christmas season.

Welcome these cats home this Christmas
How about a 20-pound meat feast every single day? How about that meat feast every single day for 21 cats? These cats, mind you, aren't your typical house cats. No, these are big cats that need ...

Winter comes for Wisconsin's big cats
