Returns With Genesis ~~Cell Robin Cook~~
No wonder Robin Cook is regarded as the master storyteller of medical and technological thrillers. "Cell" combines a peek into our future with a deep appreciation of our eternal values. The result is a can't-put-down emotional, literary and educational experience. □ Alan M. Dershowitz.

Good story. I have heard that an implant similar to this is already in the works for diabetics. Kinda scary. Interesting references to Obamacare. Love the way Robin Cook takes a current topic and writes a novel about it. I really do need to know what happens to George. When will "Cell 2" be released? Also, love George Guidall's narration.

Dr. Robert "Robin-Cook" was born in May 4th, 1940 in the city of New York City. He's an American physician & novelist who basically writes about medicine & topics which affect public health. Robin Cook is best popularly known for combining the medical writing with thriller genre.

~~Robin Cook - Book Series In Order~~

Robin Cook never fails to write the most amazing medical thrillers. They hold the readers interest from the first page to the end. As with all his books I had great difficulty putting this book down and the whole storyline was extremely believable and could indeed happen some time in the future.
