Wiszniewski offers a collection of academic papers and scholarly articles focused on the wide variety of contemporary challenges to representative democracy in the nations of Europe. Paper topics cover the fragility of authoritarian states, a state in democratic and authoritarian regimes, the amorphousness of a state in a postmodern international system, and a wide variety of other related ...

Challenges to Representative Democracy: A European...

List of the Disadvantages of a Representative Democracy 1. Representative democracies encourage polarization. It can be uncomfortable to compromise. It can be frustrating to have conversations with people who think you're always wrong and they're always right.

17 Disadvantages and Advantages of Representative Democracy

The most important problem in democracy is the growing social and economic inequality among the people. Although all the citizens have the right to vote and fight elections only rich people have a chance to win the election. The poor are sometimes even forced to sell their votes to fulfill their basic necessities of life like food, clothing and shelter.

What are the Main Challenges to Democracy?

This second challenge to parliamentary democracy is the deeper-seated one, because the divisions will endure long after the formal process of negotiating Brexit is complete. In that context, the relative unrepresentativeness of parliament has been exposed in the period since the referendum.

Brexit has shown up the key flaw in our representative...

Representative democracy is as a candle which, from the first lighting following each election cycle, is continually wasting and burning down, and will by degrees burnout of itself, but may by a thousand accidents by extinguished. The fragility of representative democracy has been cruelly exposed in the last several years the world over thanks in no small degree to, among other things, the deliberate corruption of the electoral processes by disinformation, the rise of the xenophobic Right ...

Contemporary Challenges to Representative Democracy: Unequal Representation in Europe and the European Union. Modern representative democracy rests upon citizens' participation and representation, as well as the responsiveness of government policy to citizens. Citizens should have equal chances and opportunities to have a say in the decisions that affect them (Dahl 2006).

ECPR General Conference 2020 - Contemporary Challenges to...

In the current crisis of democracy, this book assesses the effects of the technocratic critique against representative institutions, which are perceived to be unable to deal with complex and global problems. It analyzes demands for competent and responsible policy making in combination with the simultaneous populist resistance to experts.
