## Bloomberg Market Essentials: Technical Analysis: Chart ...

This is just a generic overview of chart patterns. The information in the book does talk about more recent events such as the Lehman collapse and the recession of 2008. For just about every chart there are 3 pages of long-winded explanations. The author doesnt bring up any new ideas or patterns.

## Amazon.com: Customer reviews: Chart Patterns

candlestick charts, I want to give plaudits to Bloomberg L.P. and CQG (Commodity Quote Graphics). Bloomberg L.P. was among the first on-line services to provide candlestick charts on the American markets. It's too bad I didn't discover this earlier. I was drawing candlestick charts on my own for years before I found out about Bloomberg.
