Chasing Fire is about a female fire jumper, a murder mystery, and a romance with a rookie fire jumper. You'll figure out the murderer quickly so don't read it from a murder mystery standpoint. This book missed the mark. Maybe I'm stereotyping, but I would think that a female fire jumper is a bit of a rarity. You wouldn't know it to read the book.

Chasing FIRE with Vehicles September 22, 2019 Odds are housing – mortgage, insurance, & taxes – is your household ’ s largest expense (possibly daycare if you don ’ t have access to inexpensive daycare or have multiple children going at the same time). But right after housing, or at least in the top 3, are vehicles.

Catching Fire feels like a serious movie with a serious story to tell. At it's heart is Jennifer Lawrence, who seems like a completely different person here. Since the original movie, as an actor, Lawrence has had several projects and has even won an Oscar. And so, it is no surprise that she feels like she is at an entirely different level.
