CK2Plus (CK2+) is a mod originally created by Wiz, a member of the Something Awful forums who began working for Paradox in January 2013, which was then completely overhauled by a new team following the release of the Rajas of India DLC. The mod has had a lot of new features added since its original inception and continues to be updated regularly.

CK2Plus - Crusader Kings II Wiki

The goal is to offer a deeper and more challenging CK2 experience without straying too far from the original game mechanics or adding overly deterministic events. The purpose of this mod is not historical accuracy (although we try to preserve it whenever it's not detrimental to gameplay), but rather to enrich the medieval sandbox that CK2 offers.

Crusader Kings 3 is taking over our lives, and that isn't necessarily a bad thing either. It's got it all: glamorous fashion, drama, shade, and weirdly hot people. But it can be improved, and that's where Crusader Kings 3 mods come in. . Mods are incredible, we've already been through this already, but they can be hard to figure out at first.
