Money Clicker - Play Money Clicker Game Online
Getting paid per click is the most popular way to generate money from your blog. The reason for this is because you don't ever need to go look for advertisers or negotiate directly with companies looking to spend money on advertising. Google does all that for you. Google has the most popular PPC program out there called Google Adsense. This program allows publishers, bloggers, and owners of any website to insert a little bit of html code on their website, and have ads displayed to their ...

Scam Broker Investigator • Click Money System Review
Unique Clicks: How many unique visitor Link Clicks were generated. This was the most important information for me, as performance of my websites (and most websites which use paid link shorteners) base on unique visitors. I used Unique Clicks (visitors) to calculate eCPM. Revenue: How much money I earned with each shortener during the test.
