Understood in this way, the common good consists, inter alia, of: a legal order that  
provides citizens with the liberty of expression, the liberty of conscience and the  
other liberal freedoms; a democratic system of government that provides citizens  
with political liberties, such as the liberty to vote, hold office and participate in  
collective rule-making; a system of courts to enforce the rule of law; as well as  
police protection and national defense to protect the basic liberties. The ...

*The Common Good (Stanford Encyclopedia of Philosophy)*

**Synopsis** A text for legal practitioners in Scotland, this work provides a short guide to the law and practice of the administration of common good funds, classification of common good property, disposals of common good property, and taking cases to court.

*Common Good Law: Amazon.co.uk: Ferguson, Andrew C ...*

This second edition of Common Good Law includes discussion of the important recent case of Portobello Park Action Group Association and of the changes made by the Community Empowerment (Scotland) Act 2015 and the Land Reform (Scotland) Act 2016.

*Common Good Law - Edinburgh University Press*

This association of “common good” with “national interest”—raison d’état or reason of state—is made explicit in the so-called “common-good constitutionalism” advocated by Adrian Vermeule. The operative idea here is that a strong executive can and should use administrative law to promote “the common good.”

*Liberalism and the Common Good - Law & Liberty*

This provision concerns "common good property": property gifted to a Burgh (an old form of local authority) and used by the general public for a specific purpose. It states that where a local authority is considering "disposing" or changing the use of any common good property, they must publish details about the proposed disposal.

*Council held in breach of common good law | Brodies LLP*

1 A special type of property owned by local authorities in Scotland, which is legally distinct from all the other property which they own, is Common Good Funds. These Funds are of ancient origin and consist of property that previously belonged to one of Scotland's burghs.

*The land of Scotland and the common good: report - gov.scot*

This paper seeks to elucidate the role played by the common good in John Finnis's arguments for a generic and presumptive moral obligation to obey the law.<sup>1</sup>Finnis's appeal to the common good constitutes a direct challenge to liberal and philosophical anarchist denials of a generic and presumptive obligation to obey the law.<sup>2</sup>It is questionable, however, whether Finnis has presented the strongest possible case for his position.

*FINNIS ON THE AUTHORITY OF LAW AND THE COMMON GOOD | Legal ...*

The common good has been an important concern of moral and political philosophy since ancient times, and a politics of the common good was often contrasted with corrupt government and the pursuit of narrow self-interest.

*WORKING PAPER \* The Concept of the Common Good*

Common good is property owned by a local authority which has been passed down, through local government reorganisation, from former burghs. Those burghs would have received it as a gift or purchased it. It includes land and buildings, and moveable items such as furniture and art.

*Common good property: statutory guidance for local ...*

- a statutory right for communities to take back title and ownership of common good funds, and
- an independent review of all local authority property sales. To implement these recommendations we advocate a new Common Good Fund (Scotland) Act to replace the Common Good Act 1491 which, rather interestingly, remains in force today!

### *Common Good Land in Scotland - Andy Wightman*

A most basic ethical principle contained in the Philippine Constitution of 1987 is the obligation of every Philippine citizen to contribute to the common good, defined as a social or juridical order that enables every individual in society to attain his or her fullest development economically, politically, culturally, socially, morally and spiritually.

### *Common good legal definition of common good*

Generally, inalienable common good land cannot be disposed of or appropriated by the local authority for another use. The law does give the courts discretion, on an application from a local authority, to allow a disposal of such land in certain circumstances. No such court power applies, however, if the local authority is only proposing to change the use of the land (or, to use the legal terminology, to appropriate it for another use), but not to dispose of it.

### *Common good land - what is a "disposal"? | Morton Fraser ...*

The pursuit of the common good would enable the state to act as a moral community. The importance of the common good to the republican ideal was notably illustrated with the publication of the Federalist papers, in which Alexander Hamilton, James Madison, and John Jay provided a passionate defense of the new Constitution of the United States. Madison, for example, argued that political constitutions should seek out wise, discerning rulers in search of the common good.

### *Common good | philosophy | Britannica*

Common Good Law provides a clear and practical guide to all those involved in the sale and purchase of local authority property, including local authority practitioners, those acting for purchasers of local authority property, community councils and their advisers.

### *Common Good Law (2ed) - Avizandum Law Bookshop*

In philosophy, economics, and political science, the common good refers to either what is shared and beneficial for all or most members of a given community, or alternatively, what is achieved by citizenship, collective action, and active participation in the realm of politics and public service. The concept of the common good differs significantly among philosophical doctrines. Early conceptions of the common good were set out by Ancient Greek philosophers, including Aristotle and Plato. One un

### *Common good - Wikipedia*

Common goods are defined in economics as goods that are rivalrous and non-excludable. Thus, they constitute one of the four main types based on the criteria: whether the consumption of a good by one person precludes its consumption by another person (rivalrousness)
