The Composite Materials Handbook-17 (CMH-17) provides information and guidance necessary to design and fabricate end items from composite materials.

~~About CMH-17 – Composites Materials Handbook~~

This Composite Materials Handbook Series, MIL-HDBK-17, are approved for use by all Departments and Agencies of the Department of Defense. 2. This handbook is for guidance only. This handbook cannot be cited as a requirement. If it is, the contractor does not have to comply. This mandate is a DoD requirement only; it is not applicable to the Federal Aviation
