Conflict After the Cold War is a carefully selected, tightly inter-related, and crisply summarized collection that introduces the reader to the key conceptual approaches to the study of international conflict. It illustrates how different theoretical approaches offer contrasting explanations for key historical episodes and suggest different policy responses to future problems.

policy responses to future problems.

Conflict After the Cold War: Arguments on Causes of War ...
Conflict After the Cold War is a classic and first-rate reader that addresses enduring problems of international security and admirably represents a variety of theoretical orientations without overreliance on contemporary squabbles. By including classical and current readings, it helps students understand the important ideas, not just the names, behind theories of war and peace.

others try to set its limits. Even the concept of international conflict is broadening to include ethnic conflicts and other kinds of violence within national borders that may affect international peace and security.

International Conflict Resolution
After the Cold War ...

Post-Cold War era is the period after the end of the Cold War. Because the Cold War was not an active war but rather a period of geopolitical tensions punctuated by proxy wars, there is disagreement on the official ending of this conflict and subsequent existence of the post-Cold War era. Some scholars claim the Cold War ended when the world's first treaty on nuclear

disarmament was signed in 1987, the end of the Soviet Union as a superpower amid the Revolutions of 1989, but it was truly ...

Post-Cold War era - Wikipedia

The vast majority of conflicts before and during the Cold War were between states. In the post-Cold War period the number of interstate wars decreased, and new threats occurred, such as ethnic conflicts, rise of nationalism, global threats to the environment and terrorism. These were dominant factors that
