Here ' s my best advice to get over the fear of cold calling: 1. Do your research. Cold calling gets a bad rep, and this is 99% because of callers haven ' t done their homework. That's why this is the most important point to consider before making calls. You cannot underestimate the importance of knowing who you ' re phoning and what you hope to achieve from the call before picking up the phone.

Conquering Cold-Calling Fear: Before and After the Sale ... You may fear cold calling because you have probably been exposed only to traditional selling approaches, which triggers rejection. Classic approaches teach students to make cold calls in a formulaic way: introduce yourself, explain what you do, suggest a benefit to the potential client, and then pray that they won't reply with "Sorry, not interested" or "Sorry, I'm busy."
