The frank and unvarnished memoir of a life spent stalking death in the Deep South. Baton Rouge is a little town with big-city problems. Rich with Creole history, colorful locals, and a strong sense of community, it's also the home of Napoleonic codes, stubborn cops, and a sometimes-troubled leadership.

For the last 800 years coroners have been important in England's legal and political landscape, best known as investigators of sudden, suspicious, or unexplained death. Against the background of the coroner's role in historic England, this book explains how sudden death was investigated by magistrates in Scotland.
