## Book Review: Crazy Love: Dealing With Your Partner's ...

Description. Why are people attracted, often repeatedly, to specific problem personalities? Is it possible to make these relationships work? W. Brad Johnson, Ph.D., explores the most common personality disorders and their impact on intimate relationships and he provides insights into setting limits, self-care, and the real consequences of choosing a life with or without a challenging partner.

## Crazy Love: Dealing with Your Partner's Problem ...

Crazy Love sheds light on the odd but surprisingly common disorders of personality so that readers can become better informed and more careful when entering or continuing a relationship. Johnson and Murray tell us why so many of us are attracted to personality disordered partners, and—most important—they offer strategies for detecting and avoiding such potential disasters.
