books by Margret and H.A. Rey and airs daily on PBS KIDS. Aimed at preschool viewers (ages three to five), the goal of the series is to inspire children to explore science, engineering, and math in the world around them. And what better guide is there for this kind of exploration than the world's most curious monkey?

Curious George . Printables / PBS KIDS

For this week's installment of BIWP (Abby and I still don't have a better name for it), we headed next door to Rylan's house for a party inspired by Curious George 's Dinosaur Discovery (a perfect book for three- and four-year-olds, since it has both a curious monkey in it and things about dinosaurs.) After cutting out paper dinosaurs, making dinosaur origami, and gluing together a ...
