Stephen King is a brilliant wordsmith and amusing raconteur, but what King understands about Real World politics fills a thimble. At age 33 Stephen King wrote "Danse Macabre" -- his overview of what he "assumes" constitutes "horror.". King thinks that horror is a hodge podge of various ways of killing individual people.

King is a passionate and entertaining guide and reading Danse Macabre is rather like being in a pub with a much-loved uncle as he tells you stories of ghosts and monsters. Danse Macabre is King's personal trawl through the world of horror: horror films and fiction in the main, but also the world of 1950s sci-fi radio, the murky world of E.C comics and, well, pretty much anything else he finds relevant and of interest.

Danse Macabre is Stephen King covering the horror genre, in TV, film, radio, and text, from roughly 1950-1980. I'd been meaning to read this for a long time. The Kindle price was the clincher. I don't really know what to say about this one. It was pretty middle of the road. Stephen King writes about three decades of the horror genre in various media.

The Danse Macabre, or dance of death, is a medieval concept about the power of death as an equalizer. No matter who you are or where you come from, death finds us all. The term has a death positive tone. It’s not intended to evoke fear or worry. It’s a simple reminder that dance is always lurking near.
