Daring to Live. Her memoir, Daring to Live, chronicles her spiral into depression following the sudden death of her husband, and with the aid of her faith and friendships she rebounded with a series of life-affirming challenges (dares) which proved to be the elixir to her soul and return to happiness. Daring to Live touches on themes that each person experiences in life: death of a loved one, questioning of one's faith, healing, the power of friendship and working hard to find purpose and ...
