COSMOGRAPH DAYTONA OYSTER  
PERPETUAL WEARING THE WATCH  
FOR THE FIRST TIME Before  
being worn for the first  
time, or if it has stopped,  
a Rolex watch must be wound  
manually in order to  
function correctly and  
precisely. To wind the watch  
manually, unscrew the  
winding crown completely,  
then turn it several times  
clockwise.

Important Reminder: It will be necessary to manually wind your newly purchased watch before wearing in order to fully charge the movement and to guarantee that it will run properly. Unscrew the crown to the winding position and turn the crown clockwise approximately 40 times. Don't forget to screw the crown back in tightly before wearing.
