Fashion prints. The association of France with fashion and style (la mode) is widely credited as beginning during the reign of Louis XIV when the luxury goods industries in France came increasingly under royal control and the French royal court became, arguably, the arbiter of taste and style in Europe. The rise in prominence of French fashion was linked to the creation of the fashion press in ...

Debuts. I bought this book for a french 1 class, the book is extremely helpful and useful in class. I like the way it is set up and how each chapter is presented in conjunction with a french movie, as well as an online audio selection to help with pronunciation! This book is a great buy for anyone looking to learn french!
