Democracy in the Making looks at how activist groups form. By closely observing the dynamics of 60 emerging activist efforts on the left and right over a three year period in Pittsburgh, it assesses the possibilities and limits of grassroots activism as a democratizing force in modern U.S. society. The book presents two broad findings.

E-democracy has been analyzed with regard to the different stages of the democratic process, such as "information provision, deliberation, and participation in decision-making.", by the hierarchical level of government, including local communities, states/regions, nations and on the global stage and by its reach and scope of involvement, such as the involvement of citizens/voters, the media ...

E-democracy - Wikipedia

Yet it is a fundamentally democratic foundational principle of UK constitutional law, in allocating ultimate law-making power to the elected and accountable actors in the UK's system of government. Rather than displacing parliamentary sovereignty by pursuing the distraction of codifying the UK constitution, a better vision for democratic constitutional change involves exploiting that unlimited legislative authority to complete substantive institutional reform: to the House of Lords, the ...
