Diversity And Education A Critical Multicultural Approach ...
The cultural and ethnic profile of student populations is rapidly changing in many parts of the world. Such an increase in the cultural and ethnic diversity in education has the potential to promote human development, growth, and creativity (UNESCO, 2009), but also to give rise to new challenges. Given teachers' central role in determining equity in education, their responsibility to prepare all students adequately is greater than ever.

Challenging beliefs about cultural diversity in education ...
A Critical Turn in Higher Education Religious Diversity Work is Brewing. Higher education institutions in the United States are increasingly recognizing their potential and responsibility to promote awareness and appreciation of religious diversity on their campuses. Of course, this is a positive development given that, historically, higher education has been a pillar of Christian supremacy in U.S. settler colonialist society (yes, even public institutions regularly required chapel ...

A Critical Turn in Higher Education Religious Diversity ...
" Diversity and Education can not only help us have conversations about racism, institutionalized oppression, and cultural fear, it can also offer an intervention that can move readers towards a deeper critical consciousness about diversity and multicultural education in their own lives." –From the Foreword by Wayne Au, associate professor at the University of Washington, Bothell, and an editor for Rethinking Schools

Diversity and Education: A Critical Multicultural Approach ...
Abstract. Diversity is a concept that is understood and enacted in various ways throughout higher education. Despite past and current efforts to increase diversity using logics rooted in equity, economic imperatives, and cultural responsiveness, data on diverse student admissions, persistence and graduation suggests that the intention to increase diversity to a level reflective of diverse student demographic rates has not yet been accomplished (Pippert D, Essenburg L, Matchet E, J Mark High ...
