Do-All (Continental Machine Specialties Co.) - Publication ...  
The Parts Manual naming convention is Model underscore first three digits of the Serial Number, i.e. " C-305A\_517 " .  
You will return more results by using less in your search criteria. You may search by using " 305 " or the first part of the serial number " 517 " . Some models use a dash between the letter and model number, i.e. " C-305A "
