The only item that I would like to stay with is the STEP-UP to the USMLE 1 Book that comes with the course. I will send you the 2013 Doctor's in Training Step 1 Review Notes that follows the Online Course (They have not been touched). The course purchase price is \$799.00. I am staying with the STEP-UP to the USMLE 1 Book (a \$45 value on Amazon).

Health Education England has been working with the Care Quality Commission, NHS England and NHS Improvement to develop resources to enable doctors in training to receive high quality supervision. The Enhancing Supervision in Postgraduate Training Report sets out what high-quality supervision looks like and provides a practical toolkit to assist trainers and supervisors.

### Clinical supervision | Health Education England

The first step for anyone wanting to pursue a career as a doctor is to study medicine at undergraduate level or via a graduate medical course. Normally this will take four to six years of study. Following graduation from medical school, students progress onto postgraduate training, via the foundation programme and higher specialist training.
