~~—Dollars & Sense on Apple Podcasts~~

The amount of money we earn has nothing to do with our capacity for compassion or humor, or even our work ethic. Being open about money can have practical value. A while back, when I found myself in a hole and finally shared my situation with my older brother (who teaches personal finance), he helped set me up with a plan to get my money in order.

“ When investments lead to true public benefits, such as ecosystem restoration, relying on tax dollars makes sense, ” the report says. “ But this takes general revenue funds away from education and other state budget categories. One alternative is the ‘ user pays ’ principle, which guided investments in the State Water Project (SWP).
