Dsc power 832 manual pc5010 Middelburg - caledonunited.net
Expandable and Flexible The DSC Power 832, also known as Model PC5010 has been one of the most popular DSC security products for years. It is inexpensive, feature-packed, and versatile, which has made it a popular choice for DIY alarm systems. It's also the system I chose for my own home, and I'll tell you why in a minute.

DSC Power 832 - Home Security Systems Answers.com
Your security system is made up of a DSC Power832 control panel, one or more Power832 keypads and various sensors and detectors. The control panel will be mounted out of the way in a utility closet or in a basement. The metal cabinet contains the system electronics, fuses and stand-by battery.
